DEDICATION

We, the class of 1942, dedicate this yearbook to the democratic principles of the American Republics and to a congenial and everlasting cooperation among them. The great Pan American Union is a union of peoples of different nations, but of similar ideals of freedom and of self-government. It is our most sincere hope and desire that these nations may continue to stand firmly as formidable foes against the aggressive policies of the totalitarian powers, and that they may live with one another in continuous peace and harmony.

DEDICATION

L. Walters

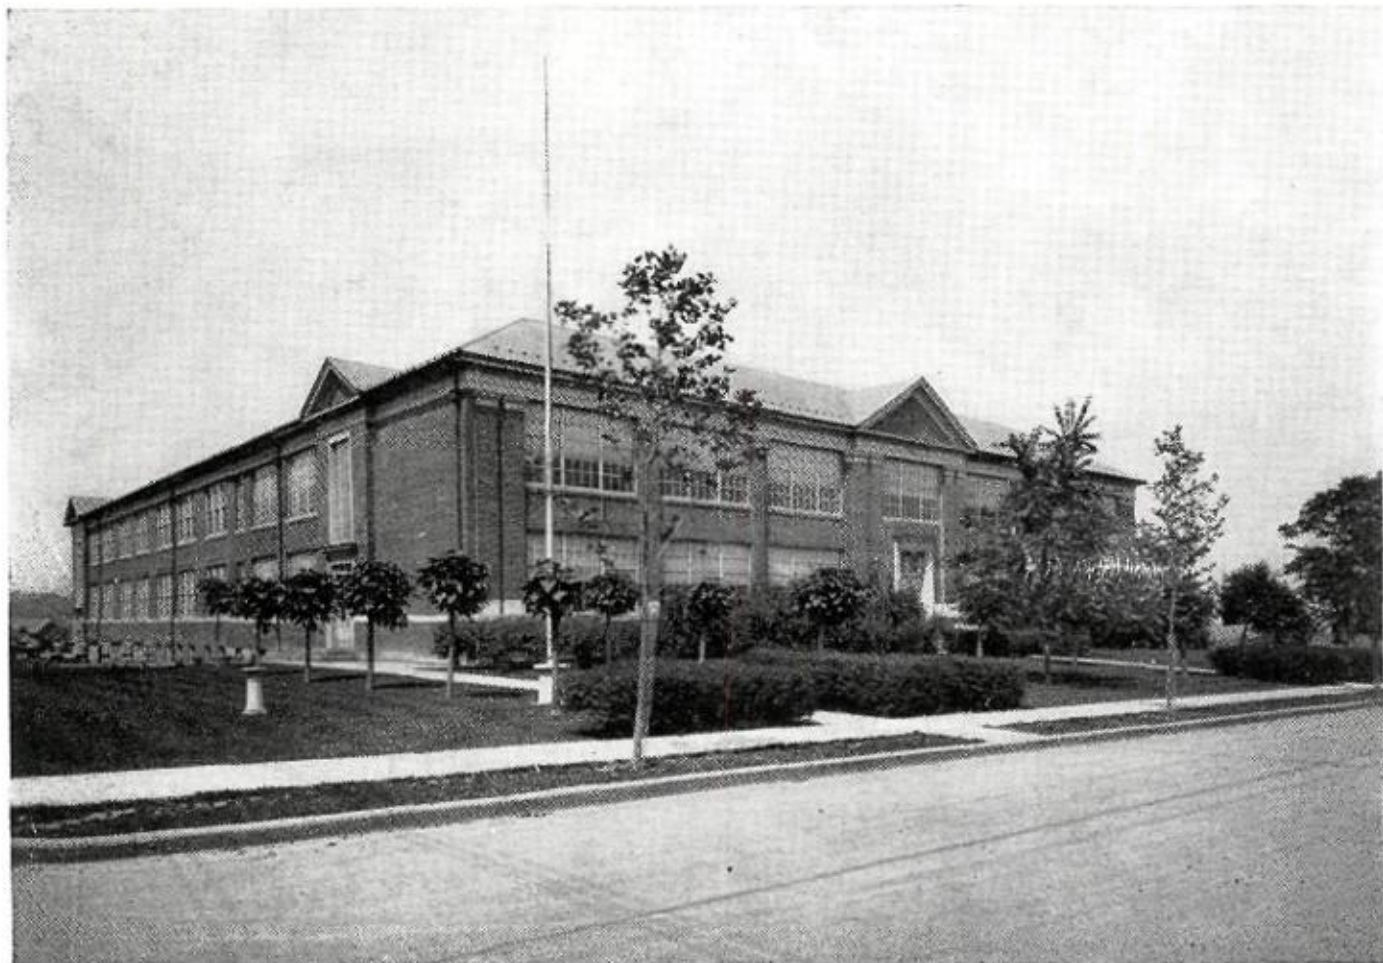

Alma Mater

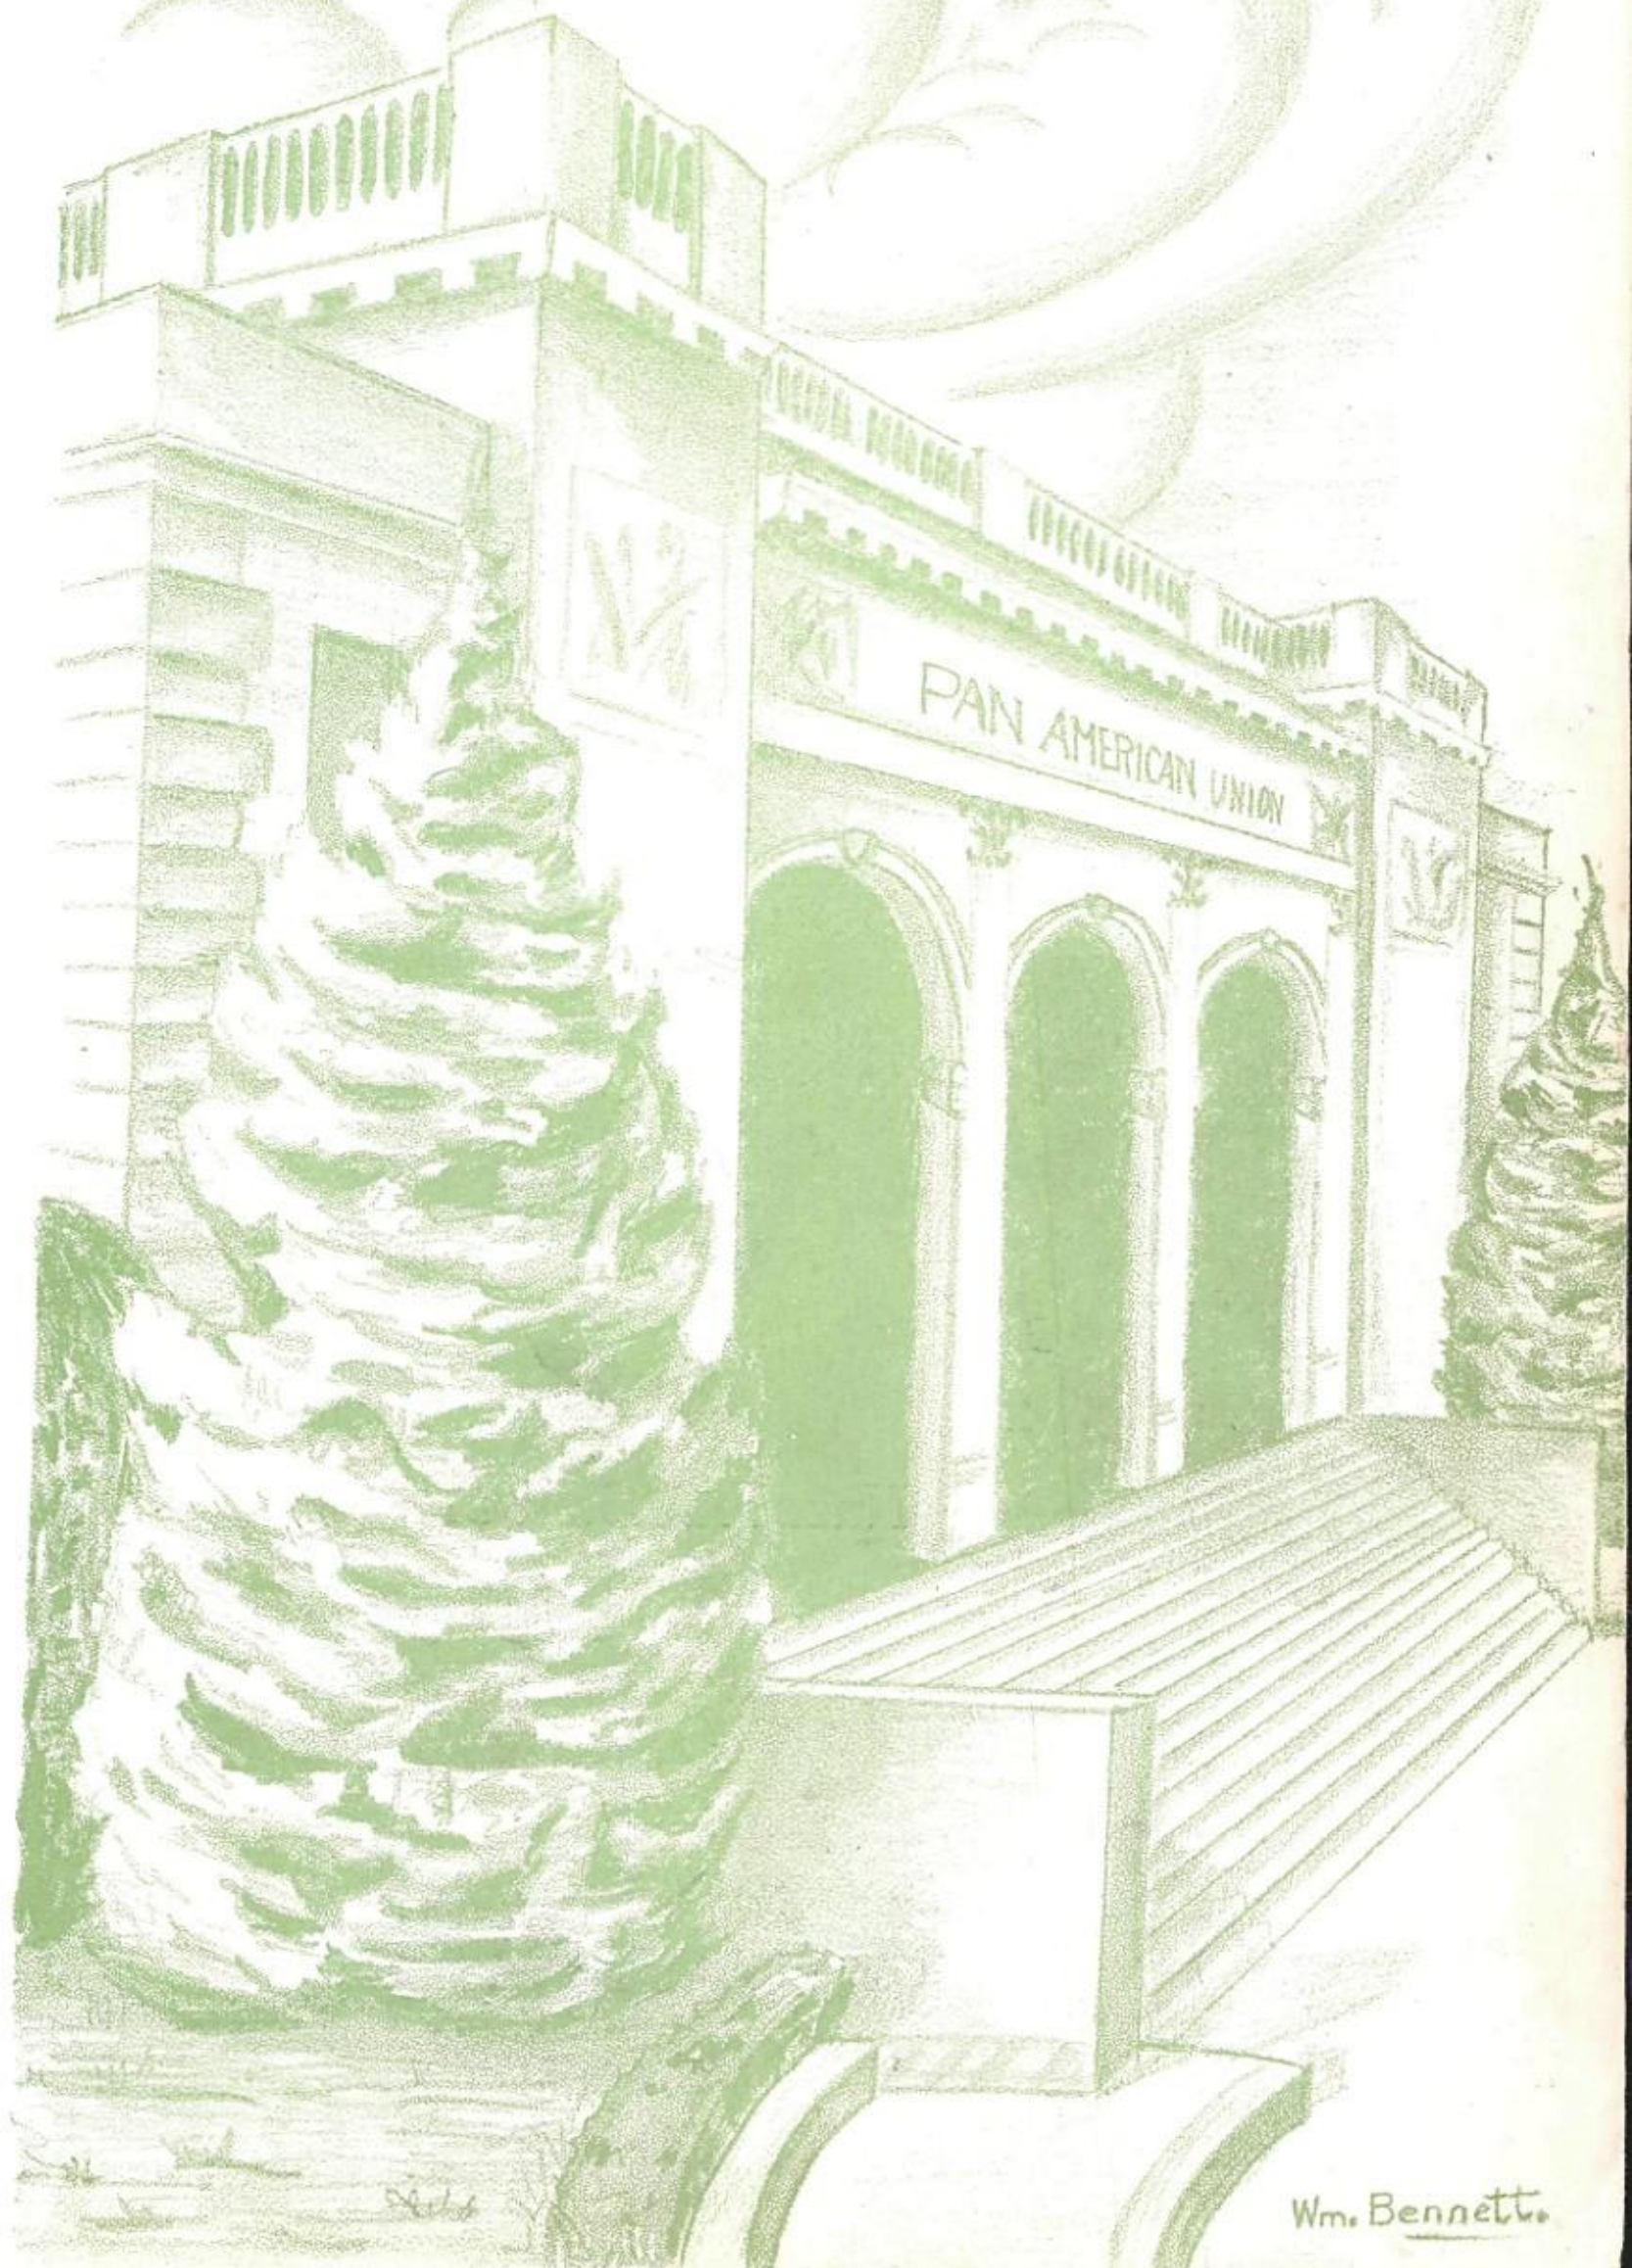

In the old historic Nazareth
'Gainst the rising sun
Stands our loved Alma Mater
Pride of days to come.
Here with daily tasks we struggle
With our goal in sight
Ever mindful of our brothers
And the Blue and White.

By thy name, dear Alma Mater
We shall win the fight;
And for us, thy sons and daughters,
Days will e'er be bright.
Nazareth High, to thee we're pledging
All our main and might—
Never shall dishonor cloud thee
Nor the Blue and White!

Nazareth High Forever

This is the school we honor
And love with all our hearts;
Here we will always learn to gain
The knowledge she imparts.
We cherish our school colors;
We'll ever keep them bright.
They stand for truth and purity
The shining Blue and White.

We work hard at our studies;
We're good sports when we play.
Each day we'll try to do our best,
As we go on our way.
When our school days are ended,
We'll think of times now gone
And "Nazareth High Forever"
Shall be our favorite song.

The music for "Nazareth High Forever" was written by Willard Schisler and dedicated to the school and first played in public at the annual band concert. The words were written by Margaret McConnell.

Memoirs

On the seventh of September in Thirty-nine
We began our freshman year.
We had to work hard, but we thought it was fine
And were sorry when summer drew near.

When we were sophomores, we had a Hallowe'en Party,
We got our caps and our pennants.
We chose our motto, colors, and flower—
What a year of happy events!

Soon we were juniors, the proud owners of class rings,
This year came the long-awaited Prom.
We know we shall always remember these things
In the many years to come.

Now we are ready to graduate
And leave these halls for aye.
We must go into the world, and meet our fate
Each going his own separate way.

May we always remember in our heart's deepest core
The fellowship we shared, and the laughter.
But, most of all, may we ever adore
Our loved Alma Mater!

STUART ALBERT

"Sonny"

The fair sex holds a great attraction for Stuart. Perhaps that is why he's so tired and sleepy in class. His main diversions are swimming, skating, and dancing. Stuart also plays the saxophone and plays it well.

DONALD ALLEN

"Don"

Not too studious, comical, and full of pranks—these characteristics make "Don" an interesting fellow. Donald's hobbies are skating, swimming, and reading dog stories. His ambition is to be a machinist. Frequently he is seen walking a certain sophomore home from school, but who walks her to school???

ELAINE ARNOLD

"Elaine"

Always well groomed, always dependable, and always entertaining, Elaine is a swell "pal" to all who know her. Although "he" takes up a great deal of her time, Elaine still has an interest in her studies and hopes to become one of those "women in white" in the future.

Dramatic Club (1) (2) (3); Blue and White Staff (1).

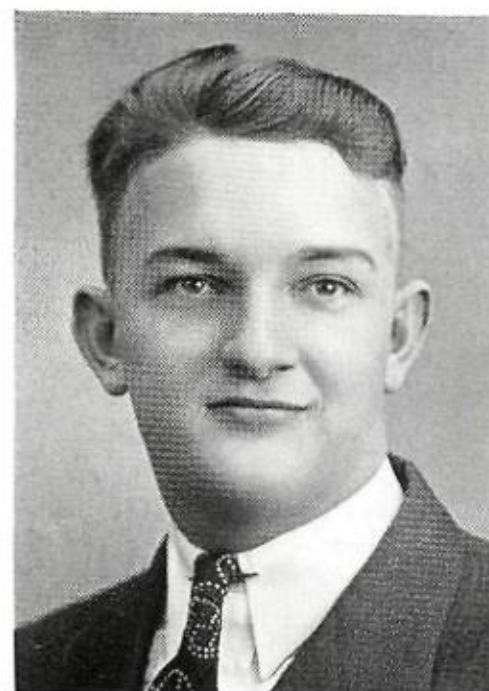

The Comet

MERLE BAUER

"Bauer"

Click! Click! What's that noise? It's Merle typing for the Blue and White Standard or the Comet. This light haired student is popular with the opposite sex. He is quite a musician, and plays the saxophone in the school band. (Confidentially, he is also an expert guitar and harmonica player.)

VICTOR BEERS

"Vic"

Quite good-looking, isn't he? "Mickey" hails from Stockertown and is considered the champion question and chatterbox of the class. He also has a flair for mischief; however, he takes an interest in his school work and has proved he's no slacker. "Mickey" especially enjoyed the part of "Dutch" in "Growing Pains." JOHN DLUGOS

"John"

Chatter! Chatter! Chatter! This is probably John and Harry talking, for there is never a dull moment—or a quiet one—when they're together. John has his own ideas about the war situation and is fond of expressing them freely in P. D. class.

JAMES FETHEROLF

"Jimmy"

A highly developed brain plus an artistic temperament are only two of Jimmy's assets. Besides these, he is a neat dresser and possesses the ability to make and keep friends. Nothing daunts him in his studies, not even chemistry. On the football field Jimmy helped the team to more than one victory.

Science Club (1) (2) (3); Comet, Typist (3).

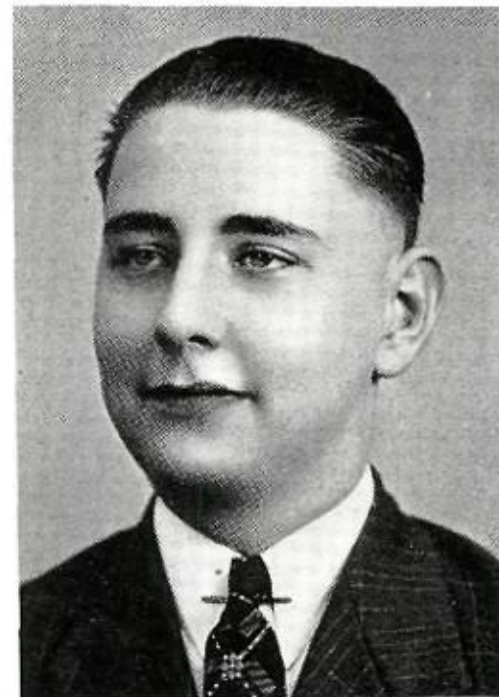

JOHN FLORY

"Flory"

Put! Put! Put! "Flory's" "one lung" motorcycle is functioning again. John is not too keen about school and spends his spare time riding or repairing his motorcycle or taking care of his menagerie. Some day he'll own a whole zoo, no doubt.

Class Historian (2) (3).

WILLIAM GOLD

"Goldie"

Ha! Ha! He! He! Ho! That's "Goldie's" famous laugh. It can be heard from one end of the hall to the other. Not too interested in school work, "Goldie" spends most of his time cruising around the building in search of some noisy pastime. He is a good sport and greatly brightens up any group in which he happens to be.

RUTH GOWER

"Ruth"

Ruth is one of our more quiet and serious members who spends much of her time reading. Since she is an out-of-town student, Ruth can't participate in many extra-class activities. Collecting movie star photographs is her hobby. She tells us that home economics is her favorite subject.

Commercial Club (1) (2) (3).

The Comet

WALTER HAGENBUCH

"Walt"

"Walt" doesn't need much inducement to produce a rosy tint in his cheeks. But he's a good-natured fellow and one of the class cut-ups. As a participant in football and baseball, "Walt" succeeded in helping out the teams a great deal. Even though he does get out-of-hand every once in a while, he can always be depended upon for serious thinking and a good scholastic record. His baritone horn is a vital part of the school band and his bass voice is very welcome in the Glee Club.

ELWOOD HAYNE

"Herky"

Yes, it's another one of those Bath fellows. "Herky" appears on the surface to be a quiet lad, but when you get to know him he's really a chatterbox. His main interest in school happens to be "Catherine". "Herky" hopes to be a part of the business world in the future.

Commercial Club (2); A Cappella Choir (2); Glee Club (2).

DOROTHEA HECKMAN

"Bebe"

Yeah team! Yeah team! It's none other than our head cheerleader, Bebe, cheering the team to victory. Although she is one of the smallest girls in our class, she demonstrated her ability as manager for the Curtis Company during the Magazine Campaign.

"Heitzman"

Boy! Look at that back plowing through the line! Yes, it's "Heitzman" gaining yardage for the old Alma Mater. He also was a top-rating basketball player and track man. You'll never catch "Heitzman" straining himself carrying books home, but he is an all-round good fellow and lots of fun.

CLARENCE ZIEGLER

"Ziegler"

That hat certainly gives Ziegler an air of something or other. It's definitely the Napoleon style. Ziegler spends a good deal of his time studying but usually spends the fifteen minute periods in the library. He plans to enter Lehigh after graduation to become an engineer. A good fellow and full of fun. Ziegler is sure to go far in the future.

ACTIVITIES

The Comet

The Student Council

Composed of nine members—the three class presidents and a boy and girl representative from each class—the Student Council represents our student body.

This year's council, showing a great amount of initiative and enjoyment of hard work, collected books during the Victory Book campaign, presented a Christmas program, maintained a file of college catalogues, sent cards to sick students, successfully maintained a lost-and-found department, served as ushers at public meetings, presided at assemblies, and assisted in the care of the building.

This organization also sold refreshments at football and basketball games. With this money they sponsored the Thanksgiving and Christmas parties which were attended by several hundred students and faculty members. The purpose of these parties was to develop more genial social relations among the students and faculty members.

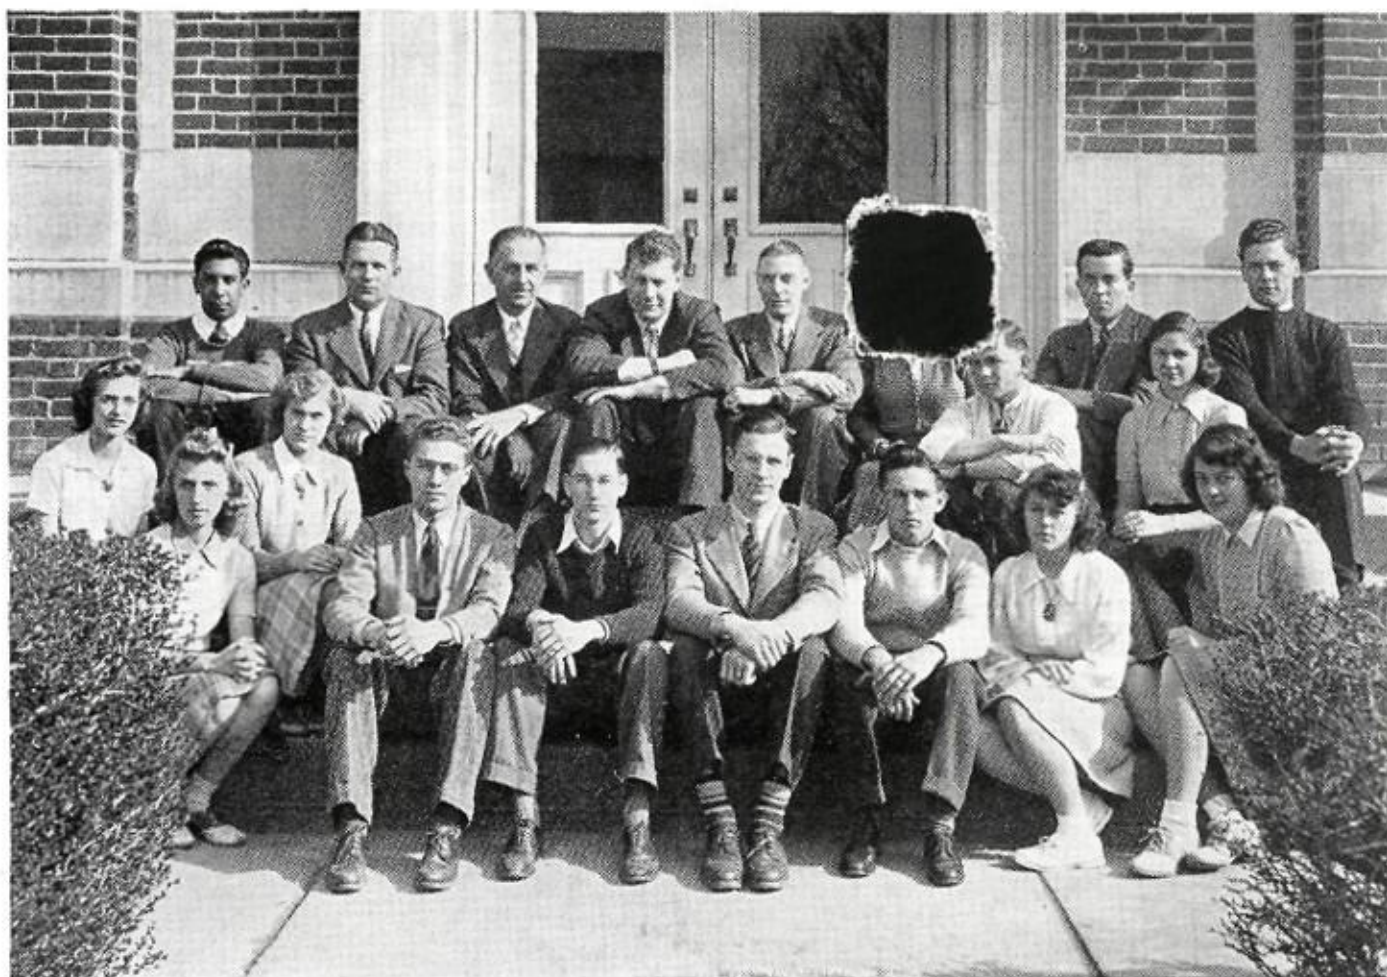

Preceding the election of officers for the first and second semesters, the nominating committees presented their candidates to the student body and faculty in assembly. In this way the students became more familiar with the candidates. The officers and members for the first semester were Howard Schoeneberger, president; Robert Ziegler, vice president; Richard Yeisley, secretary and treasurer; Virginia Blinton, assistant secretary and treasurer; Rudy Zakos, Catherine Hahn, Leona Fogel, Betty Ruloff, and Harvey Heckman. The officers and members for the second semester were Paul Nicholassen, president; Warren Smith, vice president; Matilda Deutsch, secretary and treasurer; Irene Mitchell, assistant secretary and treasurer; Franklin Hahn, William Quinter, Robert Ziegler, Susan Young, and John Schlamp. Our principal, Miss Florence L. Nicholas, acts as adviser to this organization.

The Forum

The Forum Club, sponsored by Mr. Feller, has successfully completed its fourth season. During the course of the year, the high schools of Hellertown, Fountain Hill, East Stroudsburg, Northampton, and Nazareth participated in a series of interscholastic forums. Because of the gasoline shortage, the fifth forum which was to be held at Northampton did not take place.

The schedule of the forums was as follows:

Compulsory Military Training for the United States	November 26, 1941	Nazareth
After the war what?	February 13, 1942	Hellertown
Are the United Nations doing their part to help win this war?	March 13, 1942	Fountain Hill
Modern Warfare	April 24, 1942	East Stroudsburg

Operetta

The "Gypsy Rover", an amusing and colorful musical comedy in three acts, was presented by the combined Girls' and Boys' Glee Clubs, under the direction of Miss M. Louise Hetrick, to appreciative audiences on Thursday and Friday evenings, May 7 and 8, in the high school auditorium.

The Gypsy Rover, Rob, also known as Sir Gilbert Howe, an English nobleman, was stolen by his nurse when he was an infant. He was taken to a gypsy camp, where he grew up among the gypsies. Despite complications, all ends happily for Sir Gilbert.

An unusual feature of this year's operetta was a group of third graders representing gypsy children.

The leading characters were:

Meg—Rob's foster mother	Ethyl Kunkel
Zara—Bells of the gypsy camp	Elizabeth Wartman
Marto—Meg's husband	Willard Schisler
Sinfo—Gypsy lad in love with Zara	Milton Bitz
Rob—Gypsy Rover	Chris Muscler

Yes, it's "Growing Pains", a hilarious three act comedy by Aurania Rouveral, which was presented by the senior class to capacity audiences on November 6 and 7.

The story revolved about the adolescent troubles of George and Terry McIntyre and their friends. George and Terry gave a party, but the appearance of the beautiful siren, Prudence Darling, upset everything. All the boys fell for her, even "woman-hater" Georgie. The means these lovable young characters used to settle their difficulties proved to be very delightful and entraining.

Prom

Once again it's Maytime and the annual Junior-Senior Prom is in full swing. Against a background of pastel streamers and clustered palms, a veritable tropical fairyland, couples glide gracefully over the gymnasium floor to the strains of the Nomads Orchestra. The long soft-colored flowing gowns add charm to the scene as they blend with the delicately tinted decorations. Along either side of the gym, other students are engaged in numerous games—checkers, parchesi, pick up sticks, and Chinese checkers.

During intermission the faculty and students gathered around the long table in the lunchroom. Here amid tall pastel candles with a huge bowl of many colored tulips in the center are plates heaped with dainty deviled ham and egg sandwiches, spicy pickles, delicious homemade cake, and tall bottles of birch beer to refresh the hungry guests.

The committees were as follows:

Faculty Adviser: Mrs. Ralph Metz assisted by Miss Carolyn Butz.

Decorating Committee: Miriam Reinert, chairlady; James Harron; Richard Kneller; Richard Hoch; Richard Wagner; Jane Brody; Katherine Focht; Rojean Noll; Jean Neel; Catherine Hahn; Ruth Werner; Warren Keller; Conrad Miller; Richard Laubach; Robert Ziegler.

Refreshment Committee: Ralph Stocker, chairman; Charles Werner; Joseph Strohmeier; Jennie Huryn; Doris Leigh; Gladys Beal; Ruth Landon; Lillian Vogel; Katherine Steiner; Irene Longenbach.

Entertainment Committee: Dana Happel, chairlady; Louise Schlegel; Helen Senecal; Joseph Skrapits; Donald Miller; Ernest Lahr.

Social Activities

The Thanksgiving and Christmas Parties, sponsored by the Student Council, were enjoyed by a goodly number of student and faculty members.

On Thanksgiving the gym made quite a colorful picture with golden corn husks and autumn foliage, smiling silently down upon laughing, chattering couples dancing to the strains of The Nomads Orchestra. In December these same couples danced to the music of the same orchestra against a background of brilliantly lighted Christmas trees.

For those who did not care to join in the dancing, games such as cards, checkers, pick-up-sticks, and chinese checkers were available. All were anxious, of course, to join in the refreshment line. At the Thanksgiving party, peanuts, pretzels, and orange soda were served. At the Christmas party the guests enjoyed homemade Christmas cookies, pretzel sticks, and Coca-Cola.

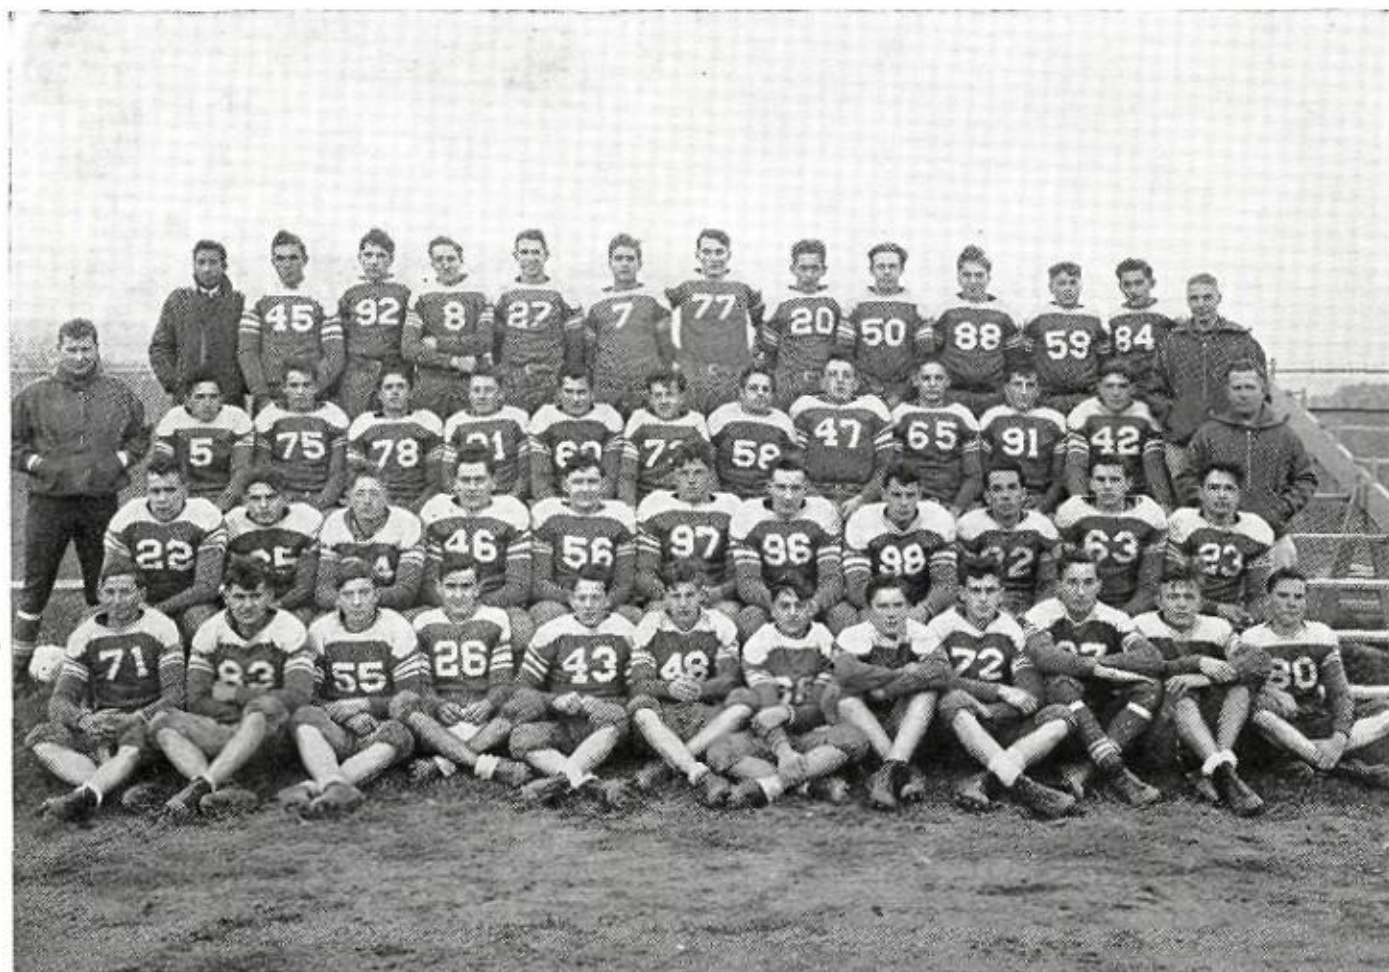

Much too soon the hands of the clock reached eleven and so ended the good times. Aching feet carried nodding heads and tired but happy bodies homeward.

Football

With the return of only four lettermen, Coaches Leh, Bartolet, and Christman shaped the N. H. S. eleven into a winning team. Although many of the players were inexperienced, they fought gallantly and ended with a Co-Championship together with Pen Argyl High School. The record for the season was six victories, two defeats, and one tie.

Varsity Basketball Team

The return of four-lettermen made this year's varsity basketball team one of experience. Coach Leh's hope for a championship team was shattered when Captain Dick Goodhard was stricken with appendicitis early in the season. Starting the season with five consecutive wins, the team went into a slump and emerged from the first half with six wins and three loses. The record for the entire season was ten wins and seven loses.

Baseball

Coach Leh, as well as the 1942 Baseball Squad, have high hopes for the league championship this year. Because of the efficient "hurling" of Ritter and Nemith, the team has won 9 games and lost 2. Not only does this season's team possess good pitchers, but also good hitters. These factors, coupled with efficient team-work, account for the winning runs. At the end of the league schedule, Nazareth was tied with Hellertown for the championship. In a play-off game Nazareth defeated Hellertown to become the league champions.

Track

The 1942 Track Squad, under Coach Bartolet, has had a fairly good season to date.

Because of the war, no Lehigh-Northampton League Meet was held. An invitation meet was held at Nazareth, which Nazareth won. This meet added another trophy to the trophy case.

Several boys have distinguished themselves by high scoring and by breaking records. Willard Smith, a sophomore, leads the team in scoring with 37 points in three meets. Russell Shook broke the school record in the Broad-jump by leaping 19 ft. 3 1/8 ins. James Fetherolf broke the school record in the Javelin Throw with a toss of 146 ft. 11 3/4 ins. in the District Meet. This entitles Jimmy to compete at State College in the P. I. A. A. Meet on Saturday, May 23.

When the call for basketball candidates went out, over one hundred girls responded. Although basketball is one of the most lively games, it seems to be the favorite of many girls.

Almost every Monday and Tuesday after school during the basketball season, many students could be found on the bleachers, cheering for their favorite teams.

The seniors won the intramural championship.

How to Keep Johnny from Marching Home

Materials—100 grams of powdered arsenic.

- 1 Bunsen burner.
- 1 carton of matches (you'll need 'em).
- 1 pine box $1\frac{1}{2}' \times 6\frac{1}{2}' \times 3'$.
- 1 experienced undertaker.
- 1 Generator.

Procedure—Lay the materials on the lab table in any order whatsoever (it won't make any difference in the end anyway). Light the Bunsen burner and produce a non-luminous flame. After your sixth vain attempt at this let someone else light it. Now generate hydrogen in contact with arsenic and test the gas by inhaling deeply. If you are able to struggle to your feet with the help of some of your classmates, do so and continue the experiment. Now produce what you think will be arsenious oxide As_2O_3 . If your product is anything but a white solid, throw it away and try again. When you finally do get a white solid you will have arsenious oxide. Powder it finely, and kindly try your best to keep it on the table and not on the floor. Now, you are ready for the test of your product. Send out black-edged announcements to your friends and relatives and proceed by dissolving about one pound of the oxide in a glass full of water and quench your thirst. How do you feel? What's your pulse? It isn't so strong, is it? Now climb into the box and don't worry about the mark you'll get in this experiment. When your eyes are becoming glazed, you'll regret not preparing your lab experiments more thoroughly.

She took size eleven,
Before she was seven,
And now they resemble a barge.
